+ Hand Sanitiser:

BUDGET RANGE

PHYSICAL SEPARATION

Free-standing Desk Dividers

The highly portable, Free-standing Desk Divider is tool-free and quick to deploy. The lightweight Foamex panel simply slots into the thermoformed MDF base for stability.

Finished in white, the panel and base can easily be wiped clean to keep it hygienic and sanitised.

Use in -
- **Offices**
- **Meeting rooms**
- **Call Centres**
- **Libraries**
- **Educational establishments**
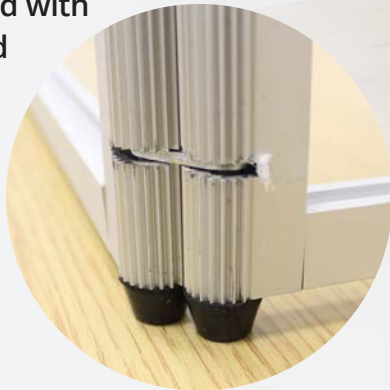

PHYSICAL SEPARATION

Standard Free-standing Screen Guard Wrap

The Standard Free-standing Screen Guard Wrap has two protective side panels that shield staff whilst in close proximity to each other or customers. Made from lightweight aluminium with acrylic panelling and rubber feet for stability, the Free-standing Screen Guard Wrap is tool-free and quick to deploy - just open and stand up where required!

As well as the standard size wrap, custom size screen wraps are also available on request (POA). The acrylic panelling can also be printed with a brand message if required (POA) and are easily wiped clean to keep sanitised.

Use in -
- Cashier counters
- Reception desks
- Offices and boardrooms

Fully printable acrylic screen

PHYSICAL SEPARATION
